Moreland mobile planters

Components:

1 planter box, 4 caster wheels, 1 trellis section, 1 blackboard, 20 screws.

Begin by laying out all of the components in your 15490 **Moreland mobile planter**.

1. begin by laying the blackboard over the top of the trellis section, secure in place with four screws in the corners.
2. For ease it is recommended that you next attach the completed back section including the trellis to the planter box.
3. Attach the wheels to the base of the planter using the remaining screws, to each corner
