

16985

Long thin basic raised bed

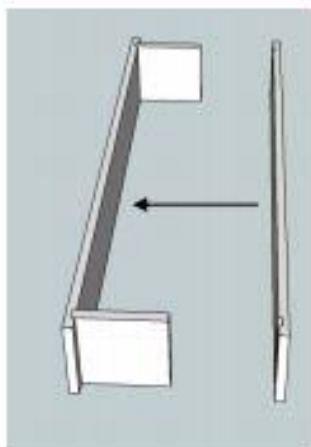

Components

2 one metre x 2cm x15cm planks

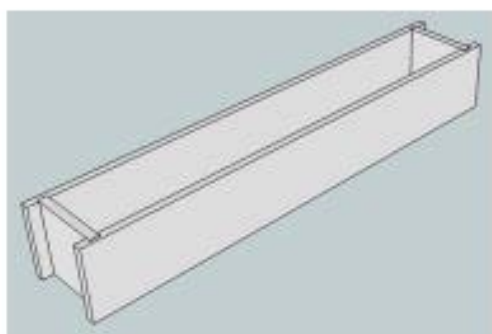

2 40cm x 15cm x 2cm

Insert the two short planks into the slots cut into the one metre long plank securing them with screws.

Take the second 1m long plank and align with the ends of the short plants slotting them into the corresponding notches on the long plank and secure with screws.

The completed basic planter should look like this.
