

23175
Writers cube

Components : one blackboard roof three blackboard panels with holes, one blackboard panel. Screws to fix

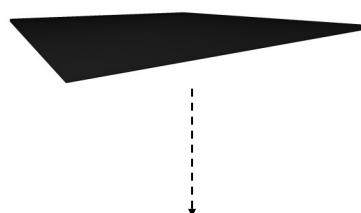

1. Begin by attaching the side panels to the rear panel using screws provided.

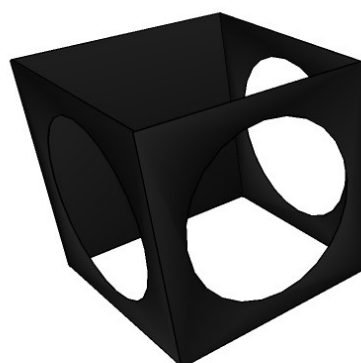

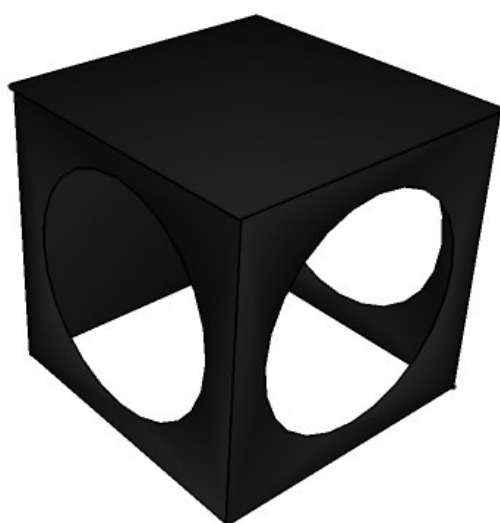

2. Position the final panel with hole through it at 90 degrees to the ones previously attached to the back panel, it should now look something like this.

3. Continue to add the roof panel to the cube assembly simply a line the corners and then fix with screws.

The final cube should look like this, all surfaces are painted with blackboard paint fantastic to explore and write all over.
