

25527 - Long Tray Table

Assembly Instructions

Components:

Bag of screws x 1, 30cm Legs x8, 41cm Crossbars x2, 1.16m long tray supports x2.

			
1. Check that you have all of your components and grab a screwdriver.	2. Assemble your tray frame first by taking your longest pieces and the two 45cm crossbars. Butt the two crossbars up to the long sections as shown and screw together.	3. Next, take 2 of your 30cm length legs and position them up against each end of the frame as shown. Screw through the legs into the frame to secure in place. 4. Repeat this for all 4 legs.	5. Repeat steps 3 & 4 for your remaining legs. Be sure to align them flush up against each face at the top and sides. 6. Enjoy!
