

9730 - Metal Chimes Frame

Assembly Instructions

Components: 11 Chimes, 1 crossbar, 2 legs, 1 leg support bar, 4 large screws, 2 small screws, ball of yarn.

1. Check that you have everything you need.

2. Screw the single straight piece upwards into the base of the leg. Repeat for the other side. ****Note: actions 2 & 3 must be performed at the same time.**

3. Push the cylindrical crossbar into the holes on each of the ends.

4. Screw the smaller screws into the end of the leg through the pre-drilled hole into the crossbar.

5. Tie each of the chimes onto the crossbar.

6. Enjoy!
